

S1 Table. Study sites and years. Survey years for parks and ponds included in a field study of presence/absence of California Red-legged Frogs (CRLF; *Rana draytonii*) and American Bullfrogs (BF; *Lithobates catesbeianus*) in Central California. Includes presence of large anuran species, either *R. draytonii* (CRLF), *L. catesbeianus* (BF), both present (both), or neither (none).
